## PROFESSIONAL PROFILE

This is a section where you describe your professional career. Let the potential employer know why they would want to hire you. Use this section for particular career highlights, collaborations or stepping stones to where you are now as a professional. This paragraph is your first impression to recruiters and can be a short summary that focuses on your most important selling points. Aligning your summary with the job requirements by highlighting key strengths and skills will help make you stand out as a highly qualified candidate.
